## March Meeting 2010

### 2010 AGM

We held our annual general meeting at the PWMC on Sunday 14th March. We ran a buy, sell, and trade day in conjunction with the meeting. There was a surprising amount of nics and nacs available with some brisk trading taking place.

We have had all our past committee members from last year stand again, and we are looking forward to another busy year ahead. The meeting discussed many issues, and as a committee we will look at the suggestions that came from the floor. Steve P. gave a few words on the national association and what is happening on a national level. Michael D. gave a talk on the direction of COLFO. Gary Howatt is standing down as chairman at their AGM. Gary has put in a massive effort over the last year, and I would like to thank him for his efforts. Another area of concern was the news item concerning items going missing from the Waiorou Military museum.

Dave C. spoke on the upcoming trip to visit the Canterbury branch and spend a weekend at the Mainland gun show, along with several other interesting events.

We finished up at 3:30 and once again a few people managed to haggle a few bargains.

Alwyn.

## Otorohanga Gunshow

A few Wellington members attended this show once again there was a good mixture of displays and trade tables. The central branch had the venue booked for a 6.00am setup and worked from this time to have all displays and traders set out by 9.00am. Outside the hall was a Bren Gun Carrier and a 6 x 4 GMC Truck that certainly looked stunning from the main road.

I noted there seemed to be a bit of money changing hands and think that these provincial shows are certainly well worth a visit if you are in the area.

By 10.00 am there was a line of people waiting to get in to browse the items on display or find that elusive bargain.

A big thanks must go to the team from the Central branch that organized a meal on Saturday night and accommodation on a weekend that had many other activities happening in the area that same weekend.

## Proxy Voting forms for AGM of the New Zealand Antique and Historical Arms Association

The Annual General Meeting of the New Zealand Antique and Historical Arms Association (NZAHAA) will be held at Whangarei on the 8 May. Members should have received by now the latest copy of the NZAHAA 'Gazette' magazine which includes a proxy voting form for the AGM. We would like members to fill out this form identifying Steve Privett as your proxy vote holder. Steve will be attending the AGM as the Club's representative. As such we would like Steve to have as many proxy votes as possible. This is a good opportunity to have your say at the AGM and be part of the vote for the Executive.

Forms can be brought along to the next Club monthly meeting or posted to Club's mail address of :

PO Box 14-029.
